ATTORNEY COMMUNICATIONS/PRIVILEGED/DO NOT RELEASE

The other part of my quick update is all Bay Delta.

First, we are sponsoring a facilitated invitation-only Science Workshop on estuarine standards in Sacramento next week (Tuesday), and the whole team is kind of swamped putting that together. I'm mainly trying to watch the FACA issues and run interference on the Board/EPA interactions.

Second, we have received "Preliminary Administrative Draft" versions of the Bay Delta Conservation Plan and the related EIS/EIR. This is the Peripheral Tunnel. Together, they are over 12,000 pages. And they aren't done yet.

They want comments immediately. Truly horrible.
